Fees and Billing Arrangements

At our healthcare facility, we are committed to ensuring that high-quality medical care is accessible to everyone. For individuals possessing a Medicare card, we are pleased to inform you that all appointments with our general practitioners are eligible for bulk billing. It is important to bring your Medicare card or provide your Medicare number when scheduling your appointment to facilitate this process.

For patients who are not registered with Medicare or for consultations that fall outside the scope of the Medicare Benefits Schedule, a private billing fee may apply. We kindly request that you inquire about these fees with our receptionist prior to your consultation to obtain comprehensive information.

Our Services

Explore the range of services we provide at Galston Family Practice, from specialist consultations and vaccinations to preventative health programs and telemedicine solutions, catering your individualized healthcare needs with the objective of improving your general well-being.

About Us

Galston Family Practice, a comprehensive hub for all your healthcare needs. At Galston Family Practice, we'd like to extend a warm greeting to you and your family. Our goal is to provide quality, conveniently accessible healthcare services that guarantee your welfare around-the-clock. We cherish your interactions and are pleased to provide Bulk Billing alternatives for your convenience. We take great pleasure in providing high-quality medical treatment that blends the practicality of online appointments with the individual attention of in-person as well as virtual consultations to cater your healthcare requirements in a hassle-free manner. Discover our exceptional team of medical expertise, each committed to providing exceptional care. Your well-being is our priority.

Opening Hours

Our Medicare facility operates from 9 AM to 5 PM, Monday to Friday tailored to your schedule, ensuring flexibility in appointment scheduling to meet your healthcare needs seamlessly. Your convenience and well-being are our top priorities.

Privacy

All our medical records are computer based records only. Your medical record is a confidential document. It is the policy of this practice to maintain security of personal health information at all times and to ensure that this information is only available to authorized members of staff. We abide by the Australian Privacy Principles available at <https://www.oaic.gov.au/privacy/australian-privacy-principles>. Please refer to our website or privacy brochure for the full privacy policy.

Your Feedback is important to our practice

We always welcome any constructive comments or suggestions. Our staff is here to help, so do not hesitate to ask for assistance. Due to the unpredictable nature of general practice consultations, the doctors will sometimes be behind schedule. We apologise for any inconvenience this may cause. We take your feedback seriously as they will help us improve our services and to cater to your needs. However, if you are dissatisfied and want to take your concerns further, you may contact:
